# TANGO PORTEÑO

Le samedi 30 Novembre 2013 à 20h30

A photograph of a tango couple in a dark, rustic setting. The man is in a deep embrace, his hands on the woman's waist. The woman is leaning back, her head tilted back with her hands behind her head. The lighting is dramatic, with strong red and orange highlights on their skin and the wooden floor. The background is dark and textured.
